4	second	第二	8	then	然后

对话 I:

Mr. Wang: How many seasons are there in a year, Jane?

Jane: There are four seasons in a year.

Mr. Wang: What are they?

Jane: They are spring, summer, fall, and winter.

Mr. Wang: Which is the first season?

Jane: Spring is the first season.

Mr. Wang: And then?

Jane: Summer comes after spring. Fall is the third season.

Mr. Wang: Very good. Then, summer is the second season.
