

买完菜后，妈妈和丹尼尔走出菜场，妈妈边走边手指着蔬菜，教丹尼尔辨识颜色，但尼尔好像不愿听这个哦，来看看是为什么吧！

Mom: Honey, do you know what color the carrot is?

Daniel: Mom, it's orange?

Mom: Wow, my son is so clever.

(Daniel frowns and speaks seriously)

Daniel: Mom, that's a stupid question.

Mom: Really?

Daniel: I am not a child at all. I know more.

Mom: Oh, my son looks like a grown-up.

Daniel: Sure. Mom, I can take care of you.

Mom: No kidding. So tell me what's your favorite color?

Daniel: I like blue. You see, that's the color of the sky. I wanna be a superman.

Mom: Why?

Daniel: I hope I can fly to any place like superman. So I can touch the sky.

(Daniel simulates flying.)

Mom: OK, superman. Put on your cape, we are going to fly home.
