

Topic 058 摩天轮 Ferris Wheels

丹尼尔和阿美一起乘坐摩天轮，两个人俯瞰着下面的游乐设施，愉快地聊着彼此喜欢的项目。

Daniel: Wow, the ferris wheel over there is so big. I'd like to take a ride on it.

May: It is called Energy Collector.

Daniel: Look at your right-hand. Is it the zone of the Lost Maya Kingdom?

May: Maybe. Oh, I see the Jungle Flying Train. I once rode it. It was very exciting.

Daniel: I want to have a try later.

May: Me too. Daniel, look at your left side. Can you see the Air Force Ants?

Daniel: Wow, that's my favorite. It's like a superman shooting right up into the sky.

May: Good, you can make your dream come true here.

Daniel: Of course. After this, I want to show you to the Haunted House.

May: So you can prove you are a man.

Daniel: Bingo!

May: It's just you!
