

### Topic 251 同学交流 Student's Communications

玛丽亚不知道今天的家庭作业，于是她打电话给雪莉。作业到底是什么呢？

**Shirley:** Hello, 85203882.

**雪莉:** 你好，85203882。

**Maria:** Hi, this is Maria. Is that Shirley?

**玛丽亚:** 你好，我是玛丽亚。你是雪莉吗？

**Shirley:** Hi, Maria, this is Shirley.

**雪莉:** 你好，玛丽亚，我是雪莉。

**Maria:** Shirley, do you know today's homework from our economic law class? I have written it on a piece of paper but I can't find it now.

**玛丽亚:** 你知道今天经济法的家庭作业吗？我写到一张纸上了，但是现在找不到了。

**Shirley:** Hold on for a moment please. I'm fetching my textbook.

**雪莉:** 稍等。我去拿我的课本。

**Maria:** OK.

**玛丽亚:** 好的。

**Shirley:** Oh, the homework is to explain what "economic law" is both in broad sense and in narrow sense.

**雪莉:** 家庭作业是从广义和狭义两方面去解释经济法。

**Maria:** Explain the economic law? An essay question again?

**玛丽亚:** 解释经济法？又是作文题？

**Shirley:** Yes. You can use your textbook for your reference.

**雪莉:** 是的，你可以参考课本。

**Maria:** Are there any clear answers in the book to this question?

**玛丽亚:** 书上有关于这个问题的具体答案吗？

**Shirley:** I don't think so, Maria, but I think you can look for information on the Internet.

**雪莉:** 我觉得没有，玛丽亚，但是我想你可以从网上搜集一些信息。

**Maria:** OK, thank you, Shirley. You are very helpful. I have another question. When does the "Economic Law of China" come into effect?

**玛丽亚:** 好的，谢谢你的帮忙。我还有一个问题，中国经济法是什么时候开始生效的？

**Shirley:** Oh, there isn't such a code called "economic law". The Economic Law of China is a general concept for several laws.

**雪莉:** 没有一个叫经济法的法典呀，中国经济法是对几部法律的通称。

**Maria:** There isn't such a code?

**玛丽亚:** 不是一部法典吗？

**Shirley:** Yes, it's a general name for several laws related to economics, like Commercial Law, and Law of Central Bank.

**雪莉:** 是的，它是几部跟经济相关的法律的通称，比如说商法和中央银行法。

**Maria:** Got it. Thank you, Shirley.

**玛丽亚:** 知道了。谢谢你，雪莉。

### 生词小结

economic adj. 经济的

hold on 稍等

broad adj. 宽的

come into effect 生效

code n. 法典

concept n. 概念

### Functional structure 功能性句型扩展 —— 表示个人观点和印象的句型

请跟读以下句型，家长和孩子交替进行

I think ...

我认为.....

I personally think ...

我个人认为.....

我主张.....

I'd like to point out that ...

我想指出.....

I hold the opinion ...

我认为.....

I am for the opinion that ...

我支持.....的观点。

My feeling is that ...

我感觉.....

My opinion is that ...

我的观点是.....

As I see it ...

我认为.....

As far as I am concerned ...

就我而言.....

As for me ...

对我而言.....

In my opinion ...

我认为.....

In my point of view ...

我认为...

To my knowledge ...

据我所知.....

To my understanding ...

据我了解.....

For my own part ...

对我而言.....

From where I stand ...

在我看来.....

### Recitation 经典背诵

**Shirley:** Maria called me to check out today's homework. She is always so forgetful. She has almost forgotten all the things we learnt about economic law. She forgot that "economic law" is not a code. I don't know what the reason is. Maybe she needs to review notes after class or maybe she is really getting old.
